2025**

**Taj Vivanta, Kochi  
Kerala, India**

**HAC'KP**

Kerala Police Cyberdome invites organizations and individuals to participate in Hac'KP 2025, the 6th International Cyber-Security Hackathon. Conceived as a community-driven initiative, Hac'KP brings together the brightest technology professionals to create practical tools that strengthen future policing.

## 2025 Focus

**#AutomatingTheFightAgainstOnlineHarm** – developing smart, scalable solutions that help law-enforcement prevent, detect, and respond to Online Child Sexual Exploitation and Abuse (OCSEA).

## Challenge Areas

1. Privacy-first public-reporting platforms for CSAM intelligence
2. Automated threat-correlation and de-confliction systems for law-enforcement agencies
3. Early-detection and intervention technologies that protect children online

## Why participate?

- **Mentorship & Collaboration:** Work closely with Kerala Police experts throughout the build sprints.
- **Path to product & Market:** The Winning team will have the opportunity to develop the prototype into a full-scale product, with Kerala Police as a launch customer and nationwide adoption potential.

## Key Dates (IST)

- **Registration closes** : 16 August 2025
- **Lap 1 (Remote sprint)** : 16 August – 5 September
- **Elimination & Lap 2** : 5 September – 30 September
- **Grand Finale (onsite)** : 1 – 4 October 2025, Taj Vivanta, Kochi
- **Winner Awards** : During Closing Ceremony of c0c0n XIII

## Call to Action

- Nominate a cross-functional team (security engineers, AI/ML specialists, developers, UX).
- Register at <https://hackp.kerala.gov.in> before 16 August 2025.
- Share this invitation with peers in your professional network.
- Fabulous prizes await the winners—yet the real reward is building technology that safeguards the most vulnerable members of our society.
